**Location:** Spruce Grove Art Gallery, 35 – 5<sup>th</sup> Avenue, Spruce Grove  
*[Located in the Melcor Cultural Centre on the east side of King Street Plaza]*

The Allied Arts Council of Spruce Grove welcomes all Alberta 3D Artists working in any medium (such as ceramics, sculpture, wood, glass, metal, or paper) to submit a proposal as a **3D Feature Artist** for a solo or group show to be held at the Spruce Grove Art Gallery.

Each 3D feature artist may be paired with a 2D feature artist.

The portion of our gallery dedicated to our 3D Feature Artists consists of three locking glass cabinets, 6 feet high, with removable shelves. Plinths are available for larger pieces.

[May we suggest that you attend the gallery to view the space, see diagram on last page]

Each show will be for duration of about three to four weeks.

1. The deadline for submission is **July 31<sup>st</sup>, 2017**.

2) Include a description and theme of your proposed exhibition.

3) Send **8 to 10 numbered and labelled photographs or digital files (jpeg) of recent work on CD or memory stick. Include a SASE for their return.**

Please **DO NOT** send as attachments in an email as such entries will be rejected.

This does not have to be the work that will be in the show, but a thematically unified or otherwise cohesive body of work must be visible.

If applying as a group, the same applies for every artist's work as well as each artist should display an equal level of artistic ability. Consistency in style and form should be evident in your presentation.

The option is open to have a featured 2D artist show run consecutively with a 3D artist show. The feature artist applicant will also have the option of sharing the gallery space with another feature artist (2D or 3D).

4) All images submitted must correspond with a numbered information sheet which includes: artist's name, title, medium, sizes and dates of creation. Use form on page 3 below.

[Price not required at this time].

5) A typed biography, artist statement and a resume.

6) All work must be gallery ready. Materials used must be acid-free [i.e. mats and backing]. The framed work must have proper wire for hanging; otherwise it will be rejected. See attached diagram. Please review our Standards document, available on our web site [www.alliedartscouncil.com](http://www.alliedartscouncil.com).

7) Insurance: All artists are responsible for carrying their own insurance on artwork while it is on display at the Spruce Grove Art Gallery. The Allied Arts Council/Spruce Grove Art Gallery is not responsible for damage or theft of art while in the Spruce Grove Art Gallery.
